TOP SECRET · YOUR EYES ONLY

MRS. DRISCOLL'S DETECTIVE HQ

CLASSIFIED

DETECTIVE (yes, you):

Nothing has been stolen from our classroom. **YET.** You have seen the Jar on the high shelf. So has somebody else.

What we know:

1. A note in secret code, taped under the Jar. We can't read it. Yet. Whoever wrote it has terrible handwriting.
2. Footprints under the shelf. Big ones. And a white powder that **FIZZES** when you test it.
3. A witness who saw someone "just looking" at the Jar. The witness is a mummy. It only talks to other mummies, so if the worst happens, one volunteer gets wrapped head to toe. (Only if you want to.)

Whoever it is, it's a grown-up. You have walked past them in the hallway. You might have said good morning.

One more thing can't go on paper. It only works when the lights go out. **It glows.**

YOUR FIRST TEST. CRACK IT. (A=1, B=2, C=3 … Z=26)

8–1–16–16–25 **8–1–12–12–15–23–5–5–14**

BONUS, FOR THE FAST ONES. HOLD THIS UP TO A MIRROR:

CHECK THEIR FEET

Got both? Good. If the Jar is still on the shelf Friday, we have a party. If it isn't, we have a case. Either way, report to HQ.

REPORT TO HQ	Friday, October 30, 1:30 PM.
BRING	your Detective ID (in this folder), filled in, with a codename. Study the suspects on your way in.
WEAR	anything you don't mind getting wrapped in toilet paper.
TELL	your family. **NOBODY ELSE.** Especially not older siblings. They crack under pressure.
