ENVELOPE FRONTS

Evidence envelope labels

Sixteen envelopes: four clues times four squads. Print, cut, glue to small envelopes, seal a matching clue card inside each. Each station lead gets the four envelopes for their clue and hands the right one to each squad at the bell.

Stuffing guide

Station 1 lead: Clue 1 × Nightshade, Raven, Specter, Ember. Station 2 lead: Clue 2 × four. Station 3 lead: Clue 3 × four. Station 4 lead: Clue 4 × four. The clue card is the same for all four squads at a station; the squad name just keeps the envelopes from getting mixed up.
