FINALE

Evidence tags (20)

Print on index-card stock or plain paper. Draw a big squiggle inside the dashed box with a **yellow highlighter**: invisible in room light, bright under the blacklight. The Floater hides all 20 around the room during rotation 3. One tag trades for one squishy.

EVIDENCE TAG #01 of 20

highlighter squiggle goes here

Found it? Hold on to it. One tag = one squishy from the Jar.
